What others are saying about iamfine.com

"Our grandfather lives alone and is not the best with technology. He was happy that we could setup everything for him, and all he needs is a phone."

*-Alex R (32)
(California)*

"One thing I like about this service is that I can set a daily check-in time. I set mine for 7 am, and it's now my alarm clock."

*-Erica P (65)
(Florida)*

"I'm the caregiver for my dad, but I don't visit everyday. This is a great way to know he is okay on days I don't see him."

*-Angela S
(N. Carolina)*

"My mom lives alone and wants to remain in her own home, but we worry about her. This service provides peace of mind for us every day and allows her to maintain her independence."

*Michelle P
(New York)*

*The easiest way to know, every
day, that your loved ones are OK.*

How it Works

Pressing "1" sends a message to the Care Circle of family & friends that you are OK.

If you miss your check-in call we'll call you multiple times.

If we still can't reach you, we'll alert your family & friends.

***You do not need a computer,
it can be set up for you and you just need a phone.***
